

# Nationwide Pension Fund Cheshire & Derbyshire Section

Schedule of Contributions

Nationwide Pension Fund – Cheshire and Derbyshire Section

Schedule of Contributions

**Introduction**

This schedule of contributions is required by Section 227 of the Pensions Act 2004. It comes into effect on the date of certification of this schedule by the Scheme Actuary and covers the period to 30 June 2022. The Fund's Trustees are responsible for preparing a revised schedule no later than 30 June 2020.

This schedule covers contributions to the Cheshire and Derbyshire Section of the Nationwide Pension Fund ("the C&D Section") from all employers who participate in the C&D Section from time to time.

**Employer Contributions**

The participating employers are not required to make regular contributions to the C&D Section of the Nationwide Pension Fund.

**Augmentation payments**

In respect of augmentations granted, unless the Trustee agrees otherwise the relevant employer will pay additional amounts to cover the costs of benefit augmentations within 60 days of the later of the date of granting the augmentation and the date on which the Trustees receive the details of the costs from the Scheme Actuary or administrators.

**Employee Contributions**

No employee contributions are payable.
